

December 16, 2021

Dear Mr. Daniels,

Thank you for your waiver submission on December 16, 2021.

The commissioner of education may consider waivers related to of the provisions of Tenn. Comp. R. & Regs. Chapters 0520-01-03 and 0520-01-13 related to remote instruction to the extent necessary to allow students affected at the classroom or school level by COVID-19 isolation or quarantine to participate in remote instruction. As stated, your district still has the authority to quarantine students and staff on an individual case-by-case basis (not in the aggregate). Waivers will only be considered when a LEA can document and demonstrate a significant impact of COVID-19 quarantine or isolation on school operations, impacting students, teachers, and/or staff. Please note, if a waiver request is granted to a school, all extracurricular activities for that school must also be cancelled for the duration of the waiver period.

The waiver submitted by **Memphis College Prep Elementary** for the school is **approved** at this time.

The rationale for this approval is:

- Given the number of teachers and personnel exposed, there are not enough staff to support the students in the building.
- Student rate of exposure given several shared households, buses, and spaces.

If not already in place, the department also continues to encourage all districts to implement as many mitigation strategies as possible to contain the spread of COVID-19, limit quarantines, and remain in-person, such as utilizing:

- The same or enhanced mitigation strategies used last school year such as temperature checks, physical distancing, frequent handwashing, etc.
- Seating charts in all settings, including classrooms, cafeteria/meals, bus routes, etc.
- Proactively stocking non-perishable items for breakfasts/lunches to account for meal staff absences
- Cohorting students to limit close contacts
- The consideration of masking

I continue to be incredibly grateful for the work of your district, educators, students and families as we collectively address and respond to COVID-19.

Sincerely,

Local Education Agency Waiver Request Application: COVID-19 Relief

Upon application by the local education agency (LEA) for one (1) or more of its classrooms or schools, pursuant to Tenn. Code Ann. § 49-1-209 (d), the commissioner of education will consider waivers of the provisions of Tenn. Comp. R. & Regs. Chapters 0520-01-03 and 0520-01-13 related to remote instruction to the extent necessary to allow students affected at the classroom or school level by COVID-19 isolation or quarantine to participate in remote instruction. This waiver process is not required for individual students on quarantine.

Waivers will only be considered when a LEA can document and demonstrate a significant impact of COVID-19 quarantine or isolation on school operations, impacting students, teachers, and/or staff. Please note, if a waiver request is granted to a school, all extracurricular activities for that school must also be cancelled.

Please submit completed applications to Commissioner.Schwinn@tn.gov. Following review by the commissioner or designee, the local education agency will be notified in writing if the waiver request application is approved or denied.
