Dear Technology Plan Administrator:

Thank you for providing a copy of your institution's technology plan for review pursuant to the requirements of the Schools and Libraries Universal Services support mechanism (commonly known as "E-Rate") program, and the Enhancing Education through Technology Program (EETT) Title IID.

The technology plan you provided appears to include all the basic planning components required under the E-Rate program as set forth by the Federal Communications Commission (FCC), reference <http://www.sl.universalservice.org/apply/step2.asp#3>. As such, you may consider receipt of this letter as confirmation that your technology plan has been approved by an "authorized organization" as required. This certification applies only to the approval of this technology planning document for purposes of your E-Rate and EETT Title II-D application.

Although the basic structure of your technology plan has been approved, you are reminded that E-Rate rules require a level of consistency between technology plans and E-Rate funding requests that was not subject to review under our approval process. Please read the latest developments regarding technology plan requirements at the above link to remain compliant of changes to the program requirements.

A listing of Arizona school institutions with approved technology plans may be found on the Internet, at http://www.ade.az.gov/technology/approval_list.asp
