

<b>Transcon Conveyor</b>		<b>Quality System Manual</b>	
Clause: <b>5</b>	Title: <i>Management Responsibility</i>	Issue Date: <b>November 18, 2002</b>	

## **QUALITY POLICY**

***TRANSCON CONVEYOR – WHERE QUALITY IS CONVEYED THROUGH  
THE COMMITMENT TO CONTINUALLY IMPROVE AND SATISFY THE  
APPLICABLE REQUIREMENTS OF OUR QUALITY MANAGEMENT  
SYSTEM FOR THE DESIGN, MANUFACTURE AND DELIVERY OF  
“ON TIME” PRODUCTS THAT MEET OR EXCEED  
OUR CUSTOMER’S EXPECTATIONS.***

---

Roger M. Breedlove  
President

The management of **Transcon Conveyor** ensures the Quality Policy is communicated, understood, implemented and maintained within the organization, and it is available to customers and other interested parties. The following control features are used to ensure implementation:

- Management review meetings
- Corrective actions
- Preventive actions
- Service to client
- Internal auditing, including specific questions asked of employees regarding our **Quality Policy**
