Technical Specifications

Brand	Saginaw
Item	HMI Enclosure
Subpanel	Purchase subpanel separately
Slope Top	No
3-Piece Assembly	No
Vented	No
NEMA Rating	3R/4/12/13
IP Rating	IP66
Nominal Enclosure Dimensions	20 x 24 x 10in (HxWxD)
Enclosure Height	20.27in
Enclosure Width	24.27in
Enclosure Depth	11.25in
Mounting	Suspension or pedestal

Dual Access	Yes
Knockouts	No
Material	Carbon steel
Color	RAL 7035 light gray
Finish	Powder coat
Cover Type	Screw cover front, single door rear
Hinge Type	Concealed hinges
Number of Hinges Per Door	2
Latch Type	1/4-turn semi-flush latch
Number Of Latches	1
Padlockable	No
Keylocking	No
Additional Information	Max front cut-out area 17.5 x 21.5in

Agency Approvals

UL Listed File #	E69392
UL Recognized File #	None
UL Hazardous File #	None
CSA File #	None
RoHS Status	Meets RoHS Chemical Restrictions - No CE (See RoHS Statement Below)
EU REACH	View EU REACH document
Other	RoHS Statement

Applications

Designed to house Human-Machine Interfaces (HMI) and electrical and electronic controls, instruments and components. Provides protection from dust, oil, and water. For outdoor application a drip shield and drain vent is recommended.

Construction

- 0.075in carbon steel
- Seams continuously welded and ground smooth
- Reinforced with suspension or pedestal mounting provisions
- Concealed hinge rear access door
- Removable front screw cover for easy installation of components
- Poured-in-place oil- and water-resistant gasket
- Black 1/4-turn latches
- Operate latches with a screwdriver
- Ground studs on door and body

Finish

- RAL7035 gray powder coated

SCE-20HMI2410LP

Your Enclosure Source

Saginaw Control & Engineering has been serving the electrical industry since 1963. We specialize in manufacturing top-quality carbon steel, galvanized steel, and stainless steel electrical enclosures built to accurate dimensions. Our 310,000 square

foot manufacturing facility, located in Saginaw, Michigan, uses state-of-the-art fabricating equipment, including the newest laser technology. All products are protected with the highest quality powder finish available in today's market.

Our standard stock electrical enclosures include:

- Freestanding Enclosures
- Floor-mount Enclosures
- Wall-mount Enclosures
- Disconnect Enclosures
- Modular Enclosures
- Operator System Enclosures
- Pushbutton Enclosures
- Junction Enclosures
- Wire Trough

We maintain stock of all of our enclosures and accessories, ready for immediate shipment, at all five of our warehouses:

- Aurora, OH
- Kenosha, WI
- Lenoir City, TN
- Tulsa, OK
- Sparks, NV

With this network of warehouses, we can deliver any in-stock enclosure to 99% of the 48 contiguous United States and parts

of Canada within two business days, even those large enough to require freight shipment!

Quality Policy

Saginaw Control & Engineering is committed to understanding and meeting or exceeding the quality needs and expectations of all of our customers, while striving for continual improvement at all times. We, at Saginaw Control and Engineering, affirm this commitment, and have established a comprehensive

quality assurance system, which will allow our company to meet all of the requirements of the ISO 9001:2015 quality management system standard.
