

On-demand Tutoring from Tutor.com

- ✓ Purchased by the Los Angeles Unified School District (available at no cost for schools and students!)
- ✓ Accessible 24/7 for all LAUSD students
- ✓ Fully integrated with Schoology® for single sign-on access

What is it?

- 24/7 online tutoring and drop-off writing review with rigorously vetted expert tutors
- Wide variety of bilingual English and Spanish subjects, including math, science, social studies, AP® topics, and more
- Quick connection time of about 1 minute
- Safe, secure, anonymous tutoring via 2-way text or voice
- Encouraging help geared toward empowering students to solve problems themselves
- Enrichment and support for students outside of school hours

How do students access it?

1

Log into Tutor.com through your courses in Schoology

2

Choose the subject and topic, and click SUBMIT

“My tutor was awesome. He made sure I understood everything and was extremely nice. Additionally, he was willing to spend as much time as he needed.”
—LAUSD pre-calculus student

“Everything was explained eloquently, and the answers weren't just set in front of me. I forgot a lot of the material, but instead of questioning me or telling me to go back and study, they taught me methods for finding answers that I can use for other problems of this sort. Awesome tutor.”
—LAUSD statistics student

“My tutor helped me make my writing better.”
—LAUSD essay-writing student
