# We are giving thanks to God

## 2019

We are giving thanks to God for a very positive 2019. God has provided for, and used, the KCC ministry across the year: conventions have impacted thousands, people have become Christians, KYCK has filled and grown to a fourth weekend, our conference centre continued to excel in every area, our staff teams performed better than ever and our volunteers' and supporters' generosity with time and funds was near record levels. It has been immensely encouraging to see several years of hard effort in many areas 'behind the scenes' come to fruition in these ways. We thank God for it all and we hope you enjoy reading about it in this report!

## How KCC is 'travelling' through the COVID-19 crisis

The COVID-19 crisis meant that KCC needed to reschedule Easter Convention (KEC) and our three high schoolers' conventions (KYCK) to October. Our other events were all put on hold while we re-evaluated. We had to close our conference centre to all business until further notice.

Currently, we have more than enough work to do. We are working hard to pull together excellent Live Stream events for other conventions: Onward, Basecamp, OneLove and possibly KYCK. We intend for Live Stream options to continue beyond the COVID-19 situation and are developing accordingly. We are also putting the finishing touches on our new app ('KCC One', launched April 12) and fast-tracking development of new features. At our conference centre, we are working on upgrades, improvements and maintenance. We are thankful to have so much to do, and for the Federal Government's JobKeeper support and other concessions. This has enabled us to keep our two small and valuable staff teams (16.5FTE total) together.

## Financially

Being unable to hold any face-to-face events and closing our conference centre has been a very substantial blow financially. Funds generated from registrations, donations, on-site accommodation and resource sales have all been affected.

Our most serious scenario is that KCC finishes 2020 with a \$1.2m operational deficit. We are taking every step to avoid

this but if realised, we will navigate this by liquidating some minor assets and/or borrowing. This will be difficult, but achievable. KCC's financial reserves, however, will be all but exhausted.

**KCC needs to raise \$750,000** to keep any loss 'manageable' and enter 2021 on a reasonably solid financial footing.

**The good news is that a generous donor has pledged to match any donations made, dollar for dollar, up to \$250,000.**

This means that any funds you give, are **doubled** in their value to KCC. Giving \$100 means \$200 for KCC; giving \$1,000 means \$2,000; giving \$10,000 means \$20,000.

We are aware that for some people – those who have suffered job losses and other financial hardship – giving to KCC financially is simply not possible.

If, however, you are in a sound financial position, then we would like to ask you to – please – support KCC. If you are able to pledge a monthly gift – that kind of giving helps us the most. But if that is not possible, we are grateful for whatever you are able to give in any way.

# IGNITING THE FAITH OF TEENS

ALL ONE IN CHRIST JESUS

## **KYCK19** THE BOOK OF JOHN

Over three weekends in April, 6,000 high schoolers attended our KYCK conventions. Each weekend, two thousand kids heard five talks from the gospel of John, exhorting them to Believe, Love, and Remain in Christ. Meeting with thousands of other high-schoolers was a powerful reminder and encouragement that they are not alone in seeking to live for Christ.

## NEXTGEN19

THE REAL DEAL

NextGen's mission is to train youth and children's leaders in effective discipleship. Over five days, delegates participate in workshops to receive training in systematic biblical exegesis, gain confidence in biblical theology, and focus on developing a Christ-like character. We held two NextGen conferences in Katoomba in 2019, training 500 leaders in how to teach the Bible faithfully.

Onward Youth was a one-night conference that helped teens think about the world through the lens of their Christian faith, and equipped them to thoughtfully engage with people of different worldviews. In June 2019, 900 high-schoolers were challenged to think about "Coming out as a Christian".

Onward was a one-day conference aimed at encouraging adults to interact with the world around their Christian faith. In June 2019, 200 adults gathered to think through difficult issues, so they might be prepared to offer considered responses to tough questions.

Easter is at the heart of the Christian message and Easter Convention is at the heart of KCC's ministry. Over the Easter long-weekend, families gathered in Katoomba to reflect on the crucifixion and celebrate the resurrection of Jesus. The theme for 2019 was "The End of All Things". 2,200 adults attended 11 sessions over four days and were encouraged to live in the light of eternity, through sermons on Habakkuk, 2 Timothy, and Revelation. 1,000 children and youth attended the youth programs, from creche and preschool, to infants and primary, through to junior and senior high. Each section ran fun activities and nurtured the faith of kids through Bible teaching.

 **Call** All One in Christ Jesus

Our OneLove conference gave women, busy with family, work and church, a chance to step outside of their daily demands for a one-day conference aimed at refreshing their faith and inspiring them to serve God. "Perseverance" was the theme for our 2019 conference. In August, 2,000 women gathered for fellowship and encouragement from God's word. They heard three talks, from Hebrews and 2 Corinthians, that inspired them to joyfully persevere in the faith.

## BASECAMP

BASECAMP is a place for men to meet around God's word and remember their calling and be spurred on in their responsibilities as faithful men of God. The theme for 2019 was "A Portrait of a Man of Faith". In August, 2,300 men heard Bible talks on being 'Fearless', 'Tender', and 'Thankful'. We held two conferences: a one-day city-fix, and a weekend mountain retreat. Both options saw men return home rejuvenated in their faith.

**At KCC we are encouraged by the many stories we hear that testify to the Holy Spirit's power in transforming people through the Bible teaching at our conferences.**

“It is easy to get bogged down in the business of life, which means God often takes a backseat. Sometimes we need to get out of our routine and recharge spiritually. **BASECAMP** helps us to pause, breathe and reflect on our relationship with God, and on the men He calls us to be.”

“KYCK has become an indispensable part of our mission to reach local youth for Christ. Every Friday night we present the gospel to the many high-schoolers who come along. **KYCK** has the disruptive impact that God has used each year to move young people to put their faith in Christ. We have a confirmation service towards the end of each year, where a number of youth share their testimony. Without fail, **KYCK** is mentioned as a breakthrough moment in the faith story of young believers.”

— **Al Lukabyo**

Youth Minister at St James’ Anglican, Croydon, NSW

“I brought a group of 17 girls from my school to **KYCK19**. I have been to hundreds of conferences in my lifetime and this would have to be right up there with the best. The teaching was fabulous, and delivered with eloquence, skill, truth and humour. The music team served beautifully with music pointing to Jesus and I loved that my girls got to worship in spirit and truth in this way. Eight of my girls responded to Jesus on Saturday night. The way in which you prepared the youth to return to school was brilliant and my girls are all saying they want to come back next year and bring their friends. We are so glad we came and valued every minute. Our lives here have been greatly impacted by you and your heart for Jesus.”

— **Michelle**

Chaplain & Director of Christian Faith and Values, TARA School

“The **TEACHING** was fabulous, and delivered with **ELOQUENCE, SKILL, TRUTH** and **HUMOUR**... Our lives here have been greatly impacted...”

“It equips people to read and teach the Bible ... [as] a **DISCIPLE-MAKING DISCIPLE.**”

“**NextGen** is the most important conference in the calendar for me. It equips people to read ... and teach the Bible so that they are not only a disciple but a disciple-making disciple.”

— **Ray Galea**  
Senior Minister, St Albans MBM Rooty Hill

“**Onward** covered relevant topics for the demographic. It served as a wake up call to the reality of the world and its attitude to the Christian faith.”

— **Adam**

“[At **Onward**] our youth group was able to be more intellectually challenged and encouraged in the message of the gospel.”

— **Angela**

“My 5 year old daughter was boldly and enthusiastically proclaiming the gospel to me as we walked through the shops today. So thankful for the infants leaders [at **Katoomba Easter Convention**].”

— **Michelle**

“On behalf of Molong District Baptist church and other associated country churches, we would like to extend our deepest thanks to KCC and the very generous donors who contributed towards the sponsored **OneLove** tickets. With the ongoing drought affecting our region and many of our families at a personal level, we were going to struggle to attend with as many ladies as previous years. Your generosity enabled us to send 44 ladies off for a lovely weekend in Sydney, away from the pressures of the drought, for a great time of teaching and fellowship. God always provides and we have been amazed at the way he has worked in this situation”

— **Cherrie Handebo**  
Molong District Baptist Church

“**GOD ALWAYS PROVIDES** and we have been amazed at the way he has worked in this situation.”

“Taking the time to stop for a day and sit under God's word with so many brothers in Christ at **BASECAMP**, was the best remedy for me at a time I was stressed and anxious. We were challenged to base our identity in Christ, not in our achievements or relationships. I felt strengthened and renewed to stand alongside so many other Christian men and humbly come back to Jesus — proclaiming Him as our identity and our strength.”

## StayKCC – Our Conference Centre

Our Katoomba conference centre – StayKCC – is our home. Situated on 26 acres right next to the World Heritage listed Blue Mountains National Park, our site gives us a permanent home for our convention ministries and allows us to accommodate volunteers and delegates for the lowest prices. It also allows us to put back in to the convention ministry whatever is generated through our conference and accommodation bookings.

There are six accommodation centres on site—Mountain Camp, Kedumba, Hartley, The Lodge, Clairvaux and Wollemi House—ranging in accommodation size from 170+ guests, to a more intimate group of 15. There is also a powered camping ground with amenities. We can accommodate over 700 on site across all our centres, which we hire out throughout the year, to schools and other organisations. The revenue our site generates is invested directly back into the ministry of KCC.

## Improvements

- Vegetation was reduced and cleared around the Auditorium, Mountain Camp and The Lodge areas so as to reduce bushfire risk
- The Auditorium back up power system was upgraded, to ensure our Conventions and other events can always continue without interruption
- The Mountain Camp kitchen was extended and upgraded, providing greater capacity for us to feed thousands of people
- The Lodge was significantly upgraded to further increase customer satisfaction, including:
  - an overhaul of the bathrooms, with a better layout and new cubicles, toilets, plumbing, tiling and lighting
  - an improved kitchen and dining area
  - new mattresses and mattress protectors
  - exterior and interior painting
- The Wollemi House bathroom was upgraded with a new shower and tiling
- Mushroom heaters, silver bollards and a defibrillator, were purchased to improve our service delivery to Conventions and events.

## Challenges

- A significant storm in January meant that considerable energy was spent on repairing storm damage over the following months.
- The extreme bushfire season resulted in some disruption to accommodation in November and December. We worked closely with the RFS over this period and we're very appreciative of the great work the RFS achieved in protecting our site and the local area.

## Volunteer Highlights

- We're very grateful for the support of our many volunteers.
- In 2019 Mobile Mission Maintenance assisted us with 18 volunteers over 10 days, focussed on the Lodge and other improvements.
- We also had a successful Bush Regeneration Working Bee day with 9 volunteers staying over the weekend.

# Financial Report

The 2019 financial year was a welcome one from a number of perspectives.

Firstly, KCC's individual conventions continued to gain strong support from Christian people and local churches all over NSW and interstate. As you will read from the testimonies in this report, the preaching ministry has continued to be used by God to deeply impact people's Christian lives. All of us — volunteer and staff alike — who are involved in bringing KCC's conventions together, are acutely aware of our inability to effect spiritual transformation in anyone's life. This is God's work by His word and Spirit, and every year we are thankful to Him for what He has chosen to do through this ministry.

Of particular encouragement is the strong, ongoing engagement of high schoolers with KYCK. For well over a decade now, the Saturday evening evangelistic talk at KYCK has seen around 500 high schoolers make either first time or renewed commitments to Jesus Christ. This gives KCC a great opportunity to see these youth followed up by their local church and discipled. It is also a powerful encouragement to all who witness it.

Secondly, God has blessed us with a financial outcome that reflects His Spirit, your generosity and a wonderful team effort from everyone involved. Across the last several years with volunteers, conference centre staff and event staff, KCC has invested significant effort into generating a surplus in 2019. This is the first surplus achieved since 2014. The previous years' efforts have laid a solid foundation for this 2019 result. These foundations will continue to be built upon in 2020 and beyond, despite the immediate challenges presented by COVID-19.

Highlights of the 2019 results include:

- Increasing conference and donation revenue despite marginally lower delegate numbers than 2018. In particular, conference expenses have been materially reduced due to a range of initiatives.
- Growth in accommodation revenue to provide an accommodation operating surplus, despite challenging conditions and conference centre closure due to bushfires late in the year.

- An overall operating surplus of \$167K that will contribute towards both future ministry and financial investments that further the advancement of KCC's mission.

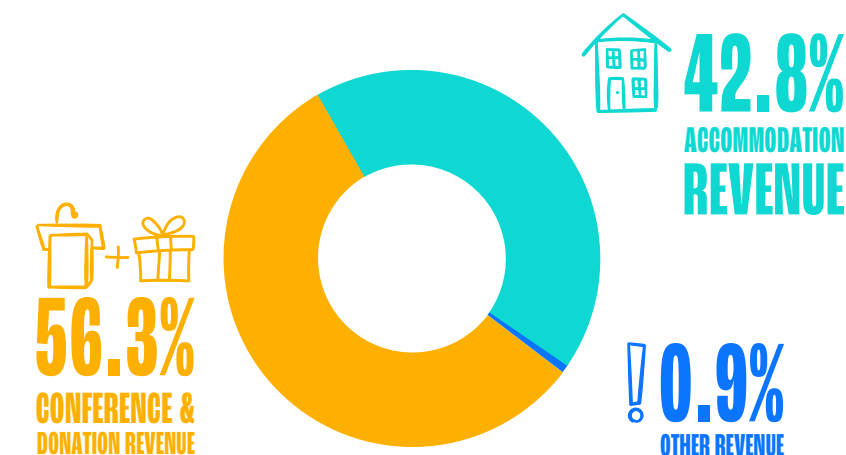

We would ask you to please remember the KCC ministry and all its needs in prayer. Our financial results are not a sign of ministry 'success', but positive results are necessary in order for the ministry to continue. In particular, please pray for:

- God to lead and guide the planning of every convention, and that His preached word would not return to Him void (Isaiah 55:10-11) but accomplish His purposes for it in His world.
- God to provide the KCC Board with wisdom and discernment in considering KCC's investments in our conventions and their development, and the best use of our property resources.

## God willing: 2020 & Beyond

The Bible says that faith comes by hearing (Romans 10:17; Galatians 3:5). But hearing what? Hearing God, hearing His word, hearing His promises. It also says that to hear is to live:

“He humbled you, causing you to hunger  
He fed you with manna which neither you nor your forefathers had known  
So that you may know that man does not live by bread alone  
But by every word that proceeds from the mouth of God.”  
(Deuteronomy 8:3)

### A Special Opportunity

Presently, KCC ministers to over 15,000 people, including more than 6,000 high schoolers. Dozens of sermons are preached every year at conventions and all recorded in video and audio. We also possess a huge catalogue of sermons that have been preached, and made fruitful, over decades of conventions. We realise that all this present us with an enormous opportunity in a digital world.

- We now have the opportunity of making all of KCC’s sermon ‘library’ available to everyone and anyone, at anytime, anywhere in the world. Our hope is that God will use it for His glory in the lives of thousands of people.
- We have the opportunity to track with over 6,000 high schoolers across the course of their Christian lives – from school into adulthood and well beyond – helping to feed them spiritually, support and encourage them, and see them persevere.
- We have the opportunity to reach out across language barriers: subtitled videos of KCC sermons plus transcripts translated into languages such as Cantonese, Mandarin, Farsi, Arabic and more. This is a way to help individuals and communities of people for whom English is not their first language, benefit from KCC sermons.
- We have the opportunity to help Christians in remote and regional areas and overseas gather together: with Live Stream we can make the KCC convention ministry available to those who have never been able to get to Katoomba or Sydney.

Over the next several years, KCC will be investing in improving its conventions on every front to see them continue to gather Christians together. In addition to this, we will be investing in digital platforms dedicated to KCC’s content – its Bible talks – such as our new mobile app, Live Stream and more. We see these as key ways to extend the reach of the existing ministry, and make it more useful, fruitful and effective for the church of our Lord Jesus Christ. Most especially, we see this as a key investment in 6,000+ high schoolers, and in the future of the KCC ministry as a whole.

If you believe that this is a God-honouring vision, then please support us in it – especially through the challenges 2020 is presenting. You can do that today, by praying for us, volunteering to be part of the ministry, and giving financially to this appeal.
