"URSULA IS BRILLIANT!"

...By listening and learning from success + sales expert Ursula Mentjes

QUALIFIED LEADS+ QUALITY CALLS = A QUANTUM LEAP IN SALES

Plucked from retail to start selling technical training, Ursula quickly realized that hitting her quota of calls was irrelevant; it was the quality of the call that was paramount. Using her method of believing, planning, calling, and following up, her sales hit the stratosphere! In fact, Ursula and her team grew a Santa Ana branch from losing \$60,000.00 per month to an astounding feat of over \$3 million per month.

REAL SALES EXPERIENCE + PLUS CALLING IN REAL TIME!

Ursula became a student of sales understanding what works... and what doesn't culminating in her launching her first training + coaching company to train others to maximize sales. Her work with over 6800 entrepreneurs plus 221 companies allowed her to write 5 books and speak on hundreds of stages.

Today, she speaks and trains others how to harness the power of selling. Rather than simply telling CEOs and sales representatives how to sell, she works with them on the phone in real time to make appointments and close sales!

"Ursula Mentjes has a fun, engaging style that really resonated with our sales team!"
