

2024-25 UHS Parking Application

UTICA HIGH SCHOOL PARKING PERMIT APPLICATION and GUIDELINES FOR PARKING

*12th Grade (Senior) Only Parking Permits:
First Semester Only are \$25 via PaySchool*

11th Grade (JUNIOR) students may submit applications at Registration for First Semester Only and will be able to purchase passes once school has started. Please do not purchase a permit on PaySchool until you have been approved to receive a parking permit.

Dear Parents:

Utica High School is being affected by the Bond project construction. The affected locations are across the street in the parking lots behind Swinehart Field. Due to this, we are only selling parking permits for the first semester only and at half price. Parking permits are normally \$50 but they will be sold for \$25 and **will expire at the end of the first semester**. Construction is supposed to shut down the entire parking lot across the street, which limits us to only 180 parking spaces on our Main Campus. This construction is scheduled to take place in early January of 2025. Beginning December 1st, only Seniors will be allowed to apply for 2nd semester parking permits, 180 permits will be sold, and it will be based solely on attendance. The students with the best attendance during semester 1 will have priority for the parking permit sales.

I know this is a huge inconvenience but unfortunately there is nothing we can do as those lots will be off limits and under construction. (Disclaimer: There is a possibility that construction does not start right away and, in this case, those students with permits from semester one can still use them until that lot gets closed).

With this being said, your high school student has requested permission to drive to Utica High School and park in the school parking lot(s). All requests will be carefully screened, and only valid cases will be approved because of the limited number of parking spaces. **Students with a history of attendance problems (including excessive tardiness and unexcused absences) or disciplinary problems may not be issued a permit.**

Should your student be granted permission, we will expect complete compliance with the school rules. Failure to abide by the following regulations may result in the loss of the driving permit.

2024-25 UHS Parking Application

The Parking Permit Application Form needs to be completed and returned. This must be signed by you and your student and returned when purchasing the permit. Students should review the following regulations:

1. Before a permit is issued, a student must produce a valid driver license. Also, registration and proof of insurance of the vehicle in which the permit will be applied must be presented.
2. All cars must be registered with the high school authorities and bear a registration sticker. **Failure to permanently affix the sticker may result in revocation of parking privilege.**
3. **Parking is first come, first served.** Approved students may only park in approved spaces within the student lot behind Utica High or behind the Swinehart Stadium.
4. All cars must be parked on school grounds, in the student parking lot. **Students are NOT ALLOWED to park in the Faculty Parking lot, Wiley Elementary School Parking Lot, Visitors area, or ANY OTHER UNAUTHORIZED AREA.**
5. When students arrive, they are to park their car, lock it and immediately go into the building. They are not to return to their car until the end of their school day, except by special written permission by school personnel.
6. Parking permits will be issued and/or revoked by administration. **(Students with a history of attendance or disciplinary problems may not be issued a permit.)** There is no guarantee that students who apply for a permit will be issued one.
7. Students must have their car under control at all times. Speed limit is not to exceed 10 mph in the parking lot. Careless and reckless driving is prohibited. Excess noise will not be tolerated.
8. Any driving without permission will be subject to school discipline. Any unregistered and unauthorized cars may be towed away at the owner's expense.
9. Driving students who leave, or transporting other students, away from the building during school hours will be faced with disciplinary action which may include **revocation** of driving permit and suspension from school.
10. By entering school property, the person in charge of any vehicle consents to a search of vehicle with or without cause by school officials or the police. The search may include the passenger compartment, engine compartment, trunk and all containers locked or unlocked in or on the vehicle.
11. Although the parking lot is supervised, Utica Community Schools has no insurance to cover loss or damage to any vehicle and is in no way responsible for such.
12. Upon the purchase of new license plates, cars must be registered immediately, or student may have the permit revoked.
13. All permits will cost **\$25.00 each**. When you have to drive a different vehicle than the one that has a permit issued to it, you must notify the school authorities first thing that day.
14. Any student who purchases a replacement permit will have to show proof of ownership for that vehicle before a replacement permit is issued. Any student who purchases a replacement permit and gives the permit to another student will have both permits **REVOKED** and other disciplinary action may be taken. **Second or replacement permits will cost \$5.00 each.**
15. Parking will be allowed only in spaces that have been marked as a parking space. Cars parked other areas will be ticketed and/or towed away.

2024-25 UHS Parking Application

16. Due to parking regulations that the Police and Fire Departments are requiring the school to follow, the parking lot will be monitored closely for **FIRE LANE VIOLATIONS**. The school has no control over this situation and must follow these regulations by law.
17. The Police Department will strictly enforce parking violations in the FIRE LANES and HANDICAPPED AREAS and may ticket violators.
18. Parking Permits will not be issued to any student who owes Utica Community Schools any monies for prior fees.
19. Permits will be distributed at registration. At registration in August you will need to bring your car registration and proof of insurance for the vehicle you registered. If any of the vehicle information has changed from the original application, please bring the new information with you in August to registration.

Failure to follow these guidelines will result in the following disciplinary actions:

- 1st Sticker Offense - Verbal Warning
- 2nd Sticker Offense - Saturday School
- 3rd Sticker Offense -1 Day Suspension

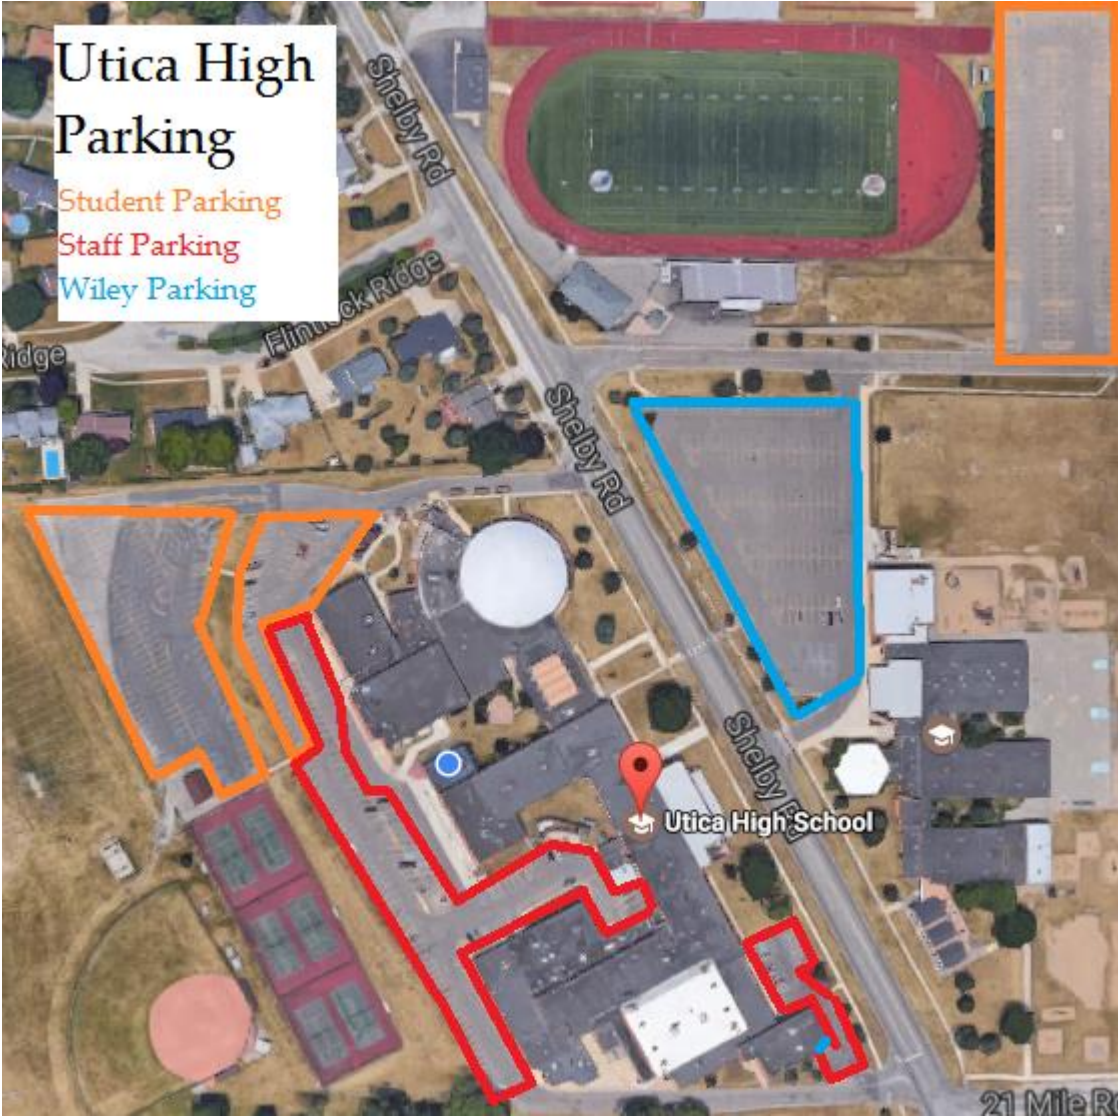

2024-25 UHS Parking Application

All parking is first-come, first-served

Lots are not assigned by grade, nor are parking spaces held.

2024-25 UHS Parking Application

Permit #:
School year: 2024-2025
