

# OCTOBER 2024 NEWSLETTER

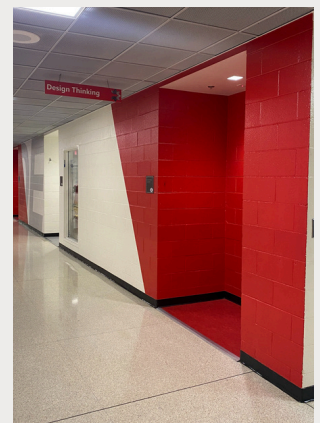

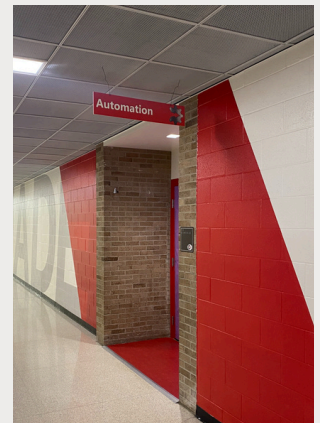

The 2024-2025 school year started a little differently with two days off, but students, teachers, and classes are now in a good routine. We had our first few MADE days and have several projects and field trips planned for the upcoming weeks. We look forward to the activities planned in October. As always, please reach out to the staff if you have any questions.

## The Titan Voice & Conferences

This newsletter will highlight the events happening in MADE. The Titan voice includes all of the happenings at Stevenson. To access the Titan Voice, visit the Stevenson website and search under News for current and past issues.

Parent Teacher Conferences are Thursday, October 10. In-person conferences are from 11:30 a.m. to 2:30 p.m. and virtual conferences are from 3:30 to 7:30 p.m. Conference Manager will be open to schedule an appointment on Tuesday, October 1 at 6:00 a.m. until Wednesday, October 9 at 11:25 p.m.

The MADE teachers will be in the collaboration space or the surrounding labs for in-person conferences.

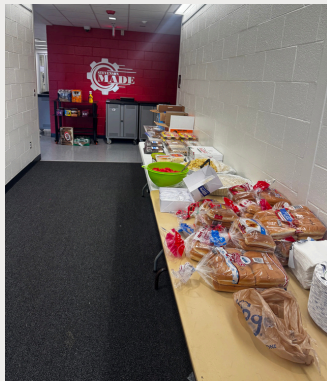

# 9TH GRADE NEWS

Welcome Class of 2028!

The freshmen pitched their products and prototypes to the upperclassmen and the MADE Sharks!

Congratulations to the winners Selina and Jaidha!

Students built museum exhibits in U.S. History.

# 10TH GRADE NEWS

Students celebrated Constitution Day on Tuesday, September 17th. They also had their first MADE project of the year: The Egg Drop! The goal was to create an egg protection device that would protect an egg dropped from the top of the stadium bleachers.

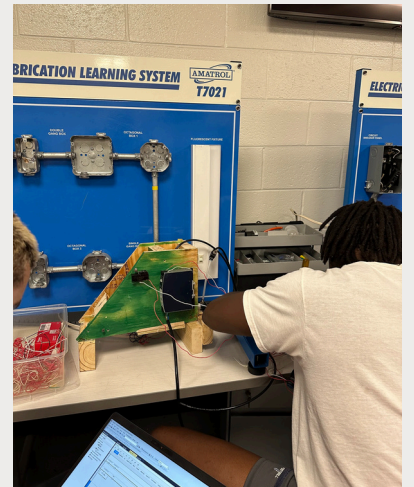

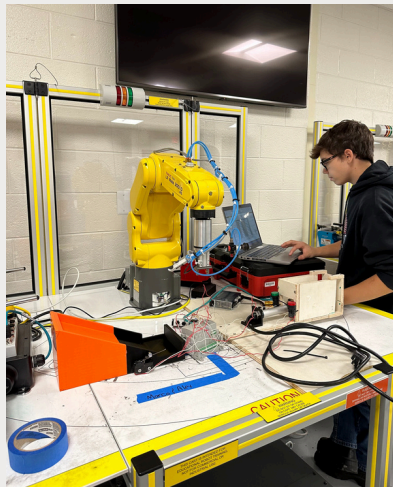

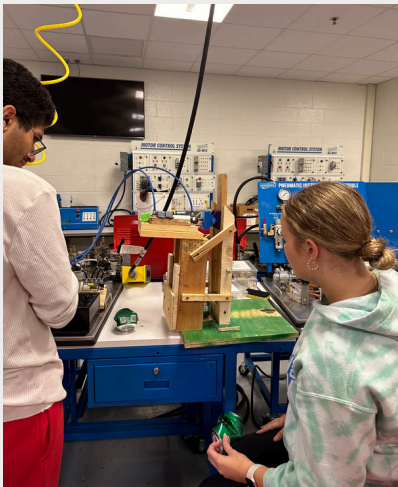

# 11TH & 12TH GRADE NEWS

---

In English 11, students are reading *Lord of the Flies*. They put themselves on the stranded island with the boys and built shelters like the characters in the novel.

Automation and Design Engineering seniors designed and coded can crushers that pick up, crush, and deposit cans without human assistance.

Kettering University visited with interested juniors and seniors about the unique experience they offer. In their cooperative education program, students rotate between the classroom and paid, on-the-job experiences starting their first year at the university.

# COUNSELING NEWS

---

Nationally, October is recognized as College Awareness Month. Early decision applications are due by November 1st, and many colleges are offering free applications during the month of October. Counselors will be available for students to further discuss this process during all lunch periods throughout October on Tuesdays and Thursdays in the Counseling Office. In addition, counselors will be discussing financial aid (FAFSA), scholarships, application deadlines, writing great essays, sending transcripts/test scores, and much more!

On October 8th, counseling is pleased to host Tamara Threatt, Admissions & Outreach Coordinator from Macomb Community College. Mrs. Threatt will be in the ECC during 3rd hour to present to the MADE seniors about post-secondary options. Mrs. Threatt will provide an overview of the many career pathways that exist in the skilled trades at Macomb, as well as the next steps to achieve these opportunities.

Please see the counseling website at <https://www.uticak12.org/domain/3621> for more information! Also, it is imperative that students follow counseling news on Schoology with the following codes:

- 12th Grade: KPWV-T8XV-QNWMV
- 11th Grade: JX9J-J3CR-KPTZ4
- 10th Grade: PM9N-MDWN-5WNTZ

---

Please follow the MADE social media accounts on Facebook and Instagram.
