### Description of Supplemental Outreach Initiatives

#### WABE Internship Program

The WABE internship program enables High School students, College Students (regardless of classification), and recent graduates of universities to gain real world experience in the world of broadcasting. As interns, students or recent graduates will work in a specified area of their interest. The experience that our internship program provides (depending on the area for which a student may participate in) can be in the form of research, journalism, administrative, technical, professional, writing, etc. to be used for school credit or not. Internships are offered throughout the year and lasts no longer than a 9-month period.

Methods of recruitment are as follows:

- Posting Internship opportunities on local colleges and university campus websites.
- Emailing/Faxing internship opportunities to local college and universities.
- Contacting employment services/departments within local colleges and universities.
- Posting opportunities on WABE Website.

Interns must complete the application process, show some experience in desired area of interest as a skill requirement to be considered for an open internship. The application, along with a resume and references, need to be submitted to WABE. The application will be evaluated by the Manager of the department that the applicant is applying for. After a round of interviews, the WABE Manager will select the best candidate(s) to receive an internship based on the eligibility requirements and qualifications.

**Internship Report:** There were 6 interns during this reporting period.
