

Recyclables YES!

Plastic

#1, #2 bottles only, empty, rinsed

Steel & Aluminum

Empty, rinsed

Paper

Magazines, newspaper, office paper, junk mail

Cardboard

Flattened, includes brown paper bags and packing paper

Recycle Glass

There are no drop-off sites. You must bring it to:
357 Recycle Way, Bozeman, M-F 8am - 5pm

- \$7 for up to 50 lbs., then .10 per lb.
- Colored glass is accepted
- No porcelain, ceramics, mirrors

There is no return, or pay out, on glass and it can not be recycled locally. Our fee covers handling and transportation to Momentum Recycling in Utah where it is recycled and used in fiber glass insulation.

*Glass cannot be recycled in a single-stream system. It breaks and contaminates the other recyclables.

Glass Reuse

The Bayern Brewing Bottle Reuse Program is free.

We Recycle MT is a participating location. Visit websites for a list of accepted brands.

- 1) Take bottles to a participating location in Bozeman or Missoua.
- 2) Place them in an 'ecopack' which holds four six-packs, \$3 deposit on first box.
- 3) Drink more. Repeat.

WeRecycleMT.com | BayernBrewery.com

Keep contamination out, don't recycle these.

- Food contaminated items (pizza or frozen food boxes)
- Plastic clam shells (salad, fruit, egg, to go containers)
- Nothing that contained chemicals or motor oil
- Aerosal cans, cfl bulbs, styrofoam
