Dear Parents and Guardians of Bus 3878:

I am writing to inform you of ongoing criminal proceeding for Mr. Enrique Nieto, a former bus attendant on your child's 2018-2019 bus route. Mr. Nieto has been charged with second-degree assault stemming from a physical altercation with a student on the bus on January 23, 2019. A trial date has been set for October 15, 2019.

I am deeply disappointed and upset by the alleged behavior of Mr. Nieto. His alleged actions are a clear violation of the Employee Code of Conduct and do not reflect the values of Georgian Forest Elementary School or our community.

Montgomery County Public Schools (MCPS) is fully cooperating with law enforcement on this matter. Mr. Nieto was placed on leave immediately after MCPS was made aware of the allegation. He is no longer employed with MCPS.

At this time, we do not believe there are any other children directly affected by this alleged behavior. However, if you or your child have any information that may be helpful to the criminal proceedings, I ask that you call the Special Victims Investigations Division of the Montgomery County Police Department at 240-773-5400.

Sincerely,
