Statement of Understanding

Facts HHSC Has About Me

HHSC uses facts about people applying for benefits to decide: (1) who can get benefits, and (2) the amount of benefits. HHSC checks facts with the federal Income and Eligibility Verification System. If any facts don't match, HHSC will check other sources (banks, employers, etc.). If anyone applying for benefits has an immigration registration number, HHSC must check with the U.S. Citizenship and Immigration Services' (USCIS) system. HHSC will not give anyone's facts to USCIS.

In most cases, I can see and get facts HHSC has about me. This includes facts I give HHSC and facts HHSC gets from other sources (medical records, employment records, etc.). I might have to pay to get a copy of these facts. I can ask HHSC to fix anything that is wrong. I do not have to pay to fix a mistake. To ask for a copy or to fix a mistake, I can call 2-1-1 or my local HHSC benefits office.

Asset Verification Consent

I know that my signature below and/or on the application lets the HHSC get facts about things I own (including money) from banks, credit unions, or other financial institutions so HHSC can decide if I can get Medicaid. HHSC can keep checking these facts until:

• HHSC denies my application for Medicaid; or

- I can't get Medicaid anymore; or
- I tell HHSC in writing that I do not want HHSC to check these facts any more.

If I do not let HHSC get facts about me from financial institutions, or I tell HHSC I do not want it to check these facts anymore, I know that HHSC may deny or stop my Medicaid.

Keeping My Facts Private

HHSC will keep my facts private if they were collected:

- By HHSC staff or contracted provider staff.
- To find out if I can get state benefits.

HHSC can share facts about me

- When needed for me to get state health care benefits.
- With phone and utility companies. They will find out if my bill amount can be lowered. HHSC will give them my name, address, and phone number.

Giving Out Facts About Me

Medicaid health care providers (doctors, drug stores, hospitals, etc.) might give out facts about me to HHSC. This will allow the providers to be paid by Medicaid.

If I Give False Information

If I choose not to tell the truth, I might:

- Be charged with a crime.
- Have to repay benefits.

The same is true if I let someone else use my medical card or Medicaid ID.

Medical Payments

If I get Medicaid, HHSC will keep medical service payments I can get from other sources, such as:

- My health insurance.
- Money I got because of injuries.

I must tell HHSC about these sources. If I don't, I am breaking the law.

HHSC will only keep the amount of medical support and service payments allowed by law. I will work with HHSC to get these funds.

Reporting Changes

I agree to let HHSC know, within 10 days, about any changes to my case. This includes changes in facts I give on this form such as money I get, things I own or are paying for, where I live, or insurance I have (including health insurance premiums).

Notice:

Your estate might have to pay the state back for services you get.

Medicaid Estate Recovery Program:

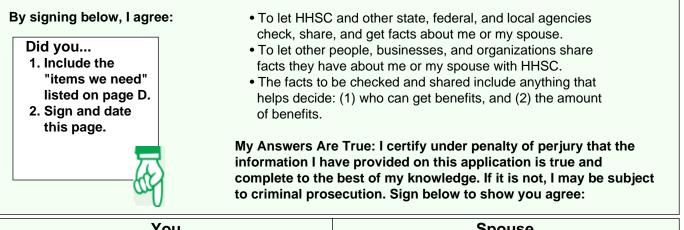

If you get certain Medicaid long-term services, the state of Texas has the right to ask for money back from your estate after you die. In some cases, the state might not ask for anything back. The state will never ask for more money back than what it paid for your services.

The state can ask for money back from your estate only if:

- 1. you applied for and received certain Medicaid services on or after March 1, 2005; and
- 2. you were age 55 or older when you got the services.

To learn more about Texas Medicaid Estate Recovery Program, including frequently asked questions, please visit <u>https://hhs.texas.gov/MERP</u>. You also may email questions to merp@hhsc.state.tx.us.

If you have a problem or complaint you should first discuss it with the Texas Medicaid Estate Recovery Program. Many times they can explain specific policies or correct the problem immediately. If your problem or complaint is not resolved to your satisfaction, you can contact the HHS Office of the Ombudsman by calling 1-877-787-8999 or by making an online submission at https://hhs.texas.gov/ombudsman.
