WHERE ARE WE?

The Youth Time Magazine team is based in Prague in the historical capital of the Czech Republic, but our words are flying all over the globe and catching the attention of young people no matter where they are based.

Every day we are trying to deliver our stories to the whole world and day by day we are getting more and more people from all parts of the world including United States, United Kingdom, India, Pakistan, Philippines, Serbia, Germany, Italy, Austria, Malaysia, Indonesia, Russia, China, Australia, Croatia, Iceland and Norway. There is no country where the foot of Youth Time Magazine haven't stepped in.

WHY ARE WE HERE?

The Magazine covers stories of young successful entrepreneurs while trying on a daily basis to offer useful skills for our readers' careers, giving opportunities for grants and competitions, volunteering and universities.

We also offer alternative perspectives and new ways of thinking as well as ideas in traveling, working, and personal development.

We want to provide useful information that will help our readers have a better understanding of global issues, providing possible solutions and representing people who are making positive change in the world.
