

Fastest Animal in a Farm Graph

Plot a bar graph from the below table. Use a ruler while scaling.

Cows	Ducks	Pigs	Rabbits	Dogs	Sheeps	Cats
18	9	17	8	15	20	9

From the above bar graph answer the simple questions.

- How fewer the “Rabbits” are than the “Dogs”? _____
- Which animal is lowest in the farm? _____
- Find the total animals in the farm. _____
- The cows are higher than _____ animals of the farm.
- The “Dogs” are fewer than _____ animals of the farm.
- The total ducks and cats are _____ in the farm.
